

TERESA ROCHA MUÑOZ
Head of Technology and Operations

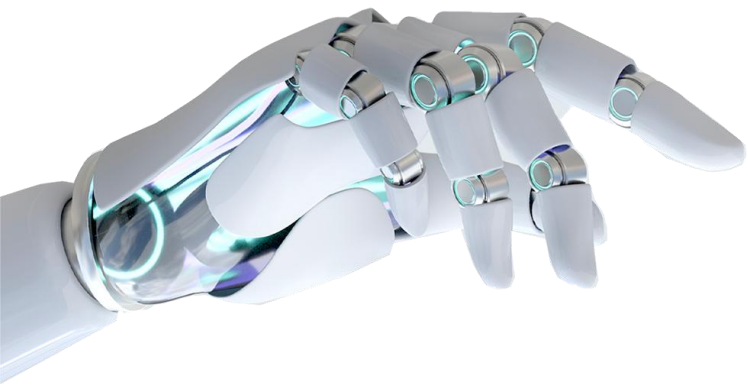

Strengths & Values

With over 10 years of experience in WordPress development, CRM integration, and marketing automation, I excel at **building systems that drive efficiency and scalability**. My technical expertise spans from developing pixel-perfect websites and high-converting landing pages to implementing complex CRM workflows and automations that streamline processes for businesses of all sizes. I take pride in delivering solutions that not only meet client needs but also optimize operations, save time, and increase conversions.

My professional approach is defined by **perseverance, problem-solving, and optimization**. I thrive when tackling complex challenges, whether it's migrating an entire CRM system, designing automated sales funnels, or creating event tracking systems that eliminate manual work. I combine technical precision with strategic thinking, ensuring that every system I develop aligns with business objectives and delivers measurable results.

Collaboration and communication are also central to my values. I work closely with clients and teams to understand their goals, gather requirements, and translate them into actionable digital solutions. By fostering strong partnerships and clear communication, I ensure that projects are delivered on time, within scope, and with maximum impact.

Above all, I am passionate about **efficiency, innovation, and creating scalable systems** that empower businesses to grow and thrive. Whether through automation, website design, or workflow optimization, I am committed to producing work that is not only technically excellent but also strategically valuable.

A dimly lit desk setup featuring a laptop, a tablet, a mouse, and a camera with a microphone. The scene is overlaid with a dark, semi-transparent filter. The text "Recent Works" is centered in a bold, white font.

Recent Works

A man with short, light brown hair, smiling, wearing a black t-shirt with a white horizontal band across the chest that says "ALPHA INDUSTRIES" in black capital letters. He is leaning forward with his hands clasped in front of him. The background is a night cityscape of San Diego, California, with many skyscrapers lit up and reflected in the water.

2022 – 2025

Chief Technology Officer

- **Led a full CRM migration** from Kartra to GoHighLevel, restructuring funnels, automations, and customer journeys to improve operational efficiency and scalability.
- **Designed and developed high-converting landing pages** for promotional books, offers, launches, and live events, optimizing UX and conversion flow.
- **Built complete webinar** systems including Zoom integrations, automated email follow-up sequences, replay delivery, and custom conversion-focused replay pages.
- **Created a full sales team environment**, including landing pages, calendar integrations, automated reminders, pipelines, and status-tracking workflows to streamline lead management.
- **Produced multiple graphic design assets**: postcards, rollups, flyers, brochures, email banners, and newsletters to support marketing campaigns.
- **Developed the “Ai Accelerator Program” infrastructure**, including landing page development, payment integrations, GoHighLevel + Kajabi integration, Kajabi set up, visual design of program portal and thumbnails.

Regan Archibald

AgelessFuture.com & ThePeptideExpert.com

Midvale, UT, USA

Remote

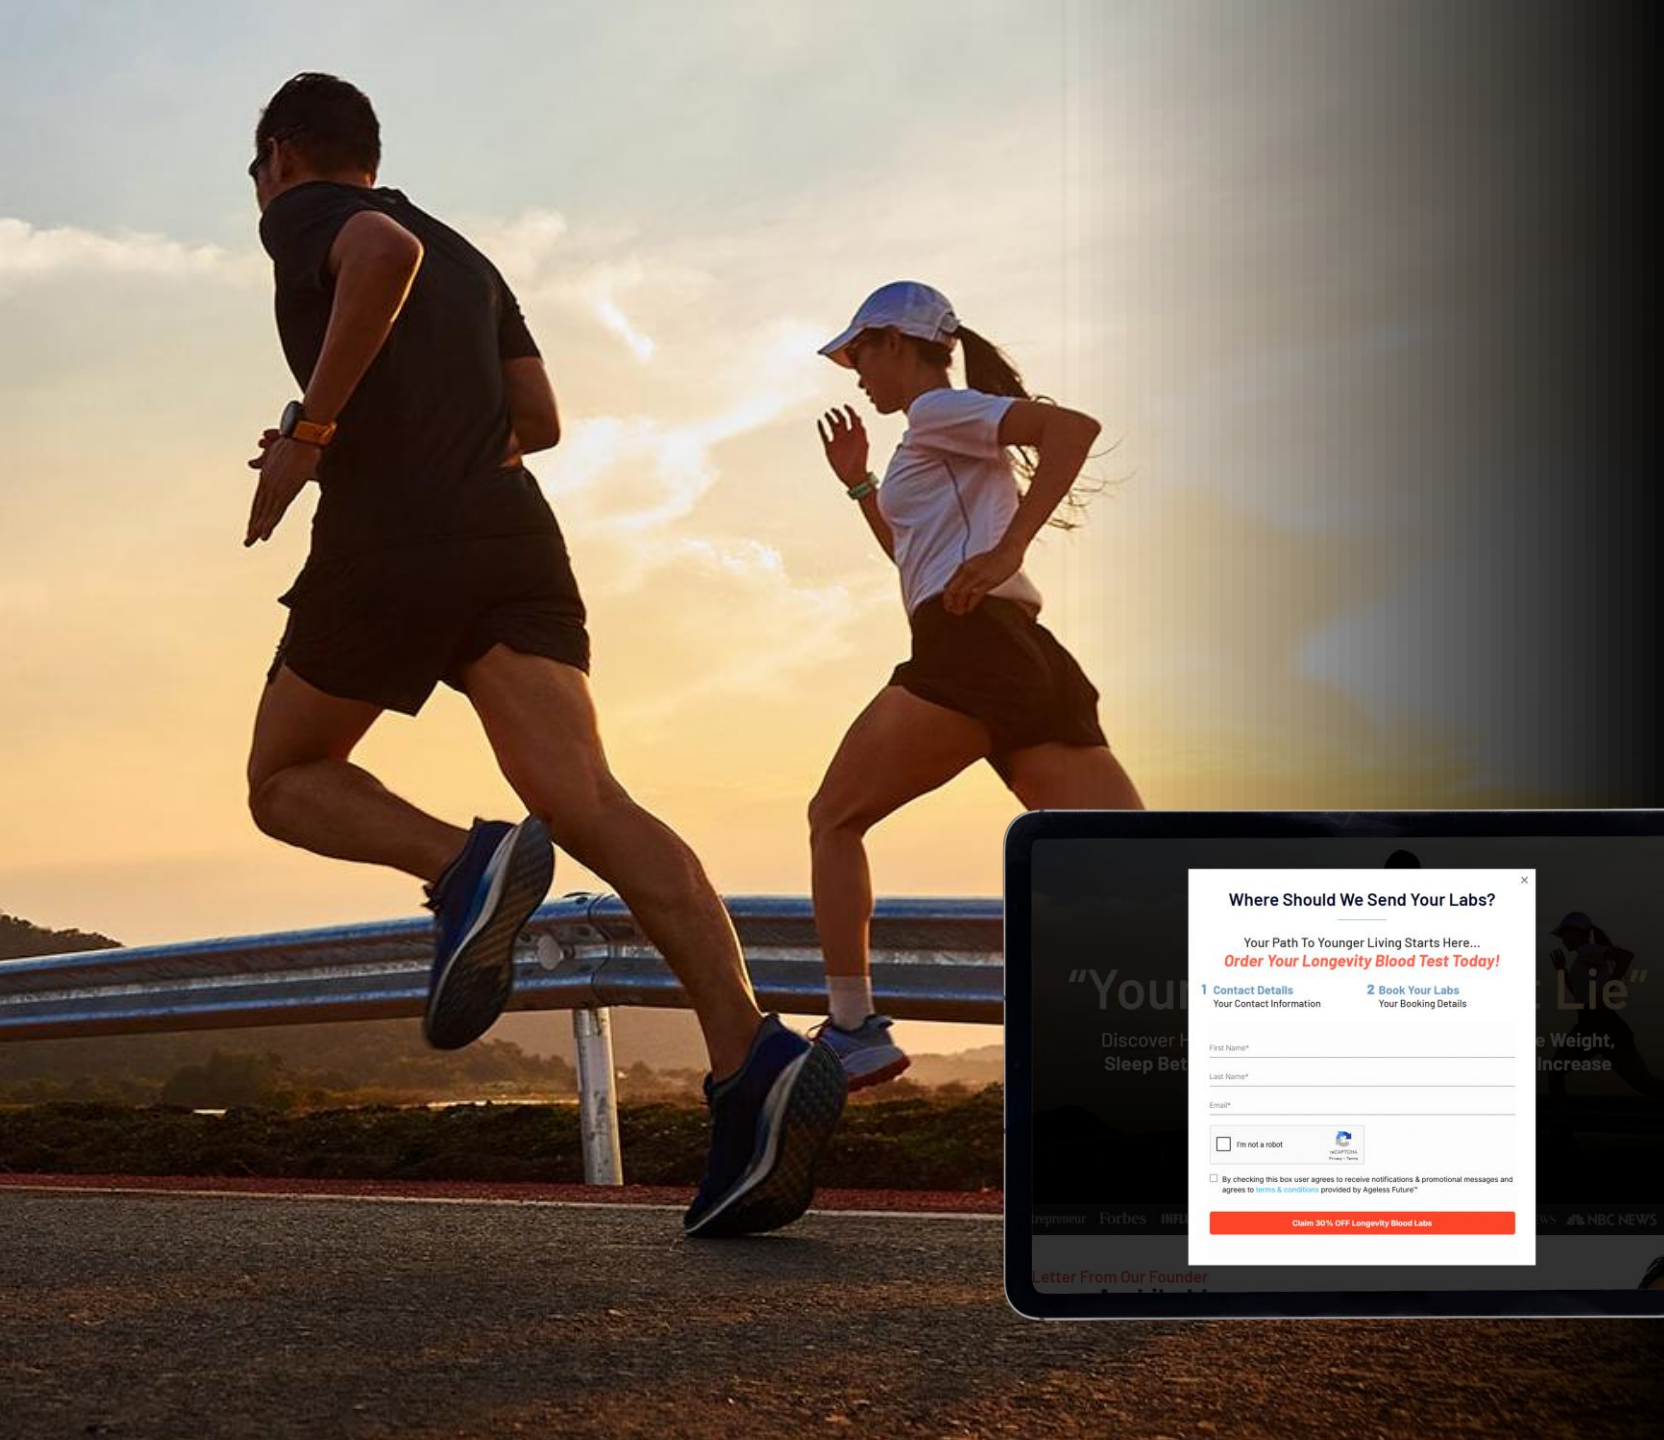

2022 – 2025

Web Developer, CRM & Marketing Automation Specialist

- **Developed complete website infrastructure** for AgelessFuture.com and ThePeptideExpert.com, including backend systems, integrations, and optimized user experience.
- **Redesigned the Event Promotion System:** replaced repetitive manual workflows with a fully automated event tracking system, consolidating offers, landing page registrations, and dynamic follow-ups per event, significantly improving lead management and reducing manual team effort.
- **Designed and implemented high-converting landing pages** for promotional books, special offers, and live events, optimizing layout, UX, and conversion flows.
- **Produced comprehensive graphic assets** to support marketing initiatives, including podcast thumbnails, social media post, rollups, postcards, brand guidelines, business cards, flyers, brochures, email banners, and newsletters.

A Letter From Our Founder

Regan Archibald

Dear Friend,

I've had the privilege of working with thousands of patients through EastWest Health. And one thing I've learned is this: It's not just about helping people live longer, it's about helping them live better.

That belief is what inspired the creation of Ageless Future Membership. So many of you have asked for a way to stay connected, to get access to our advanced protocols, peptides, lab testing, and clinical support.

Ageless Future was built for you.

It's a way to experience the same level of personalized care, therapeutic innovation, and expert guidance that EastWest Health is known for in a more flexible, more accessible format.

Whether you're looking to maintain momentum, prevent decline, or begin a new chapter of vitality, this membership offers a pathway that meets you where you are... and helps elevate you from there.

In Health And Gratitude,

Regan Archibald, L.Ac, FNP Founder,
EastWest Health & Ageless Future

"Finally, a program that gets me."

Ageless Future gave me clarity and confidence. I've never felt more supported on my health journey. It's truly transformed how I feel, think, and show up every day.

—Melissa R., 52, Colorado

"I feel stronger at 80 than I did at 40."

With Ageless Future, I've gained strength, energy, and peace of mind. It's not just a program—it's a complete, personalized path to living well and aging with power.

—James H., 60, California

"More than a membership—it's a lifestyle upgrade."

Now I have expert guidance, simple steps, and a powerful mindset shift. I'm aging better, with more joy and confidence than ever.

—Samantha T., 45, New York

"It's like having a personal wellness team in pocket."

Every session feels like it's designed just for me. I've stopped guessing about my health. Instead, I have a clear path and consistent support I can truly trust.

—Raj P., 58, Texas
